CHARACTER REACTIONS

GETS SCARED

Nothing scares or shocks her. If trying to cover up her identity, might let out a small shriek before an incredulous, "My goodness!"

VERY HUNGRY

Unflappable and completely polite. Could survive days without food or water without making a fuss.

GIVEN A GIFT

Would always react sincerely. As Director: "Thank you. Now get back to work." As Aunt Arctic: "Ooooh—that's beautiful! Aren't you a sweetheart!"

COMPLIMENTED

Understands the value of positive feedback. As Director: "Thank you agent, I couldn't have done it without you." As Aunt Arctic: "Thank you. And I think your igloo is decorated beautifully!"

GETS BORED

Her brain is wired to seek out information, and protect the island at all costs. Even in her sleep she is strategizing. Boredom is not an option.

GETS ANGRY

Bold and "dash it all" when riled. Will absolutely stand up for what she believes in.

GETS SAD

Mature and of strong character. If something tragic happened to an agent following her orders, she would stay strong and keep solidarity. As Aunt Arctic would show her vulnerability and cry openly.

STUBS 'TOE'

As the Director, would say nothing. As Aunt Arctic, would overact, with a quick, hissing intake of breath, followed by a long string of, "Ow-ow-ow-ow-ow-ow-ow-ow-ow-ow-ow!"
